**DECLARATION OF PROTECTIVE COVENANTS,  
CONDITIONS, RESTRICTIONS AND EASEMENTS  
FOR STONEGATE**

**THIS DECLARATION** is made this 3 day of March, 2006 by **Elk Horn Land Development Inc**; an Oregon Corporation (“**Declarant**”).

**RECITALS**

A. Declarant owns or controls certain real property within the City of Bend, Deschutes County, Oregon. Declarant proposes to develop this property as a planned development to be known as “**Stonegate**”.

B. Declarant hopes to create in Stonegate a carefully planned community, which will provide an attractive place to live. Declarant will provide leadership in organizing and administering Stonegate to accept the responsibility for community administration by the time the development is complete.

C. The purpose of this Declaration is to provide for the ownership, maintenance and use of certain Common Areas, which will be owned and operated by an owners association for the benefit of all properties now or later made subject to this Declaration. In addition, areas made subject to this Declaration may be subject to Project Declarations, which impose additional or different restrictions on the use of property within such projects and may establish Project Common Areas for the benefit of the owners within such projects. The initial phase of Stonegate will include, as common area, a community swimming pool and pavilion.

D. Funds for the maintenance and operation of Common Areas generally will be provided through assessments against those who purchase property within Stonegate, although to assist with the development of Stonegate, Declarant may from time to time itself provide some improvements. For the protection of all Owners of property in Stonegate there will be a system designed to assure that each person who purchased property in Stonegate will pay an equitable share of the moneys necessary for the maintenance and development of Common Areas.

E. Purchasers of property within Stonegate hereby consent to the Master Plan for Stonegate approved by the City of Bend, as the same may subsequently be amended. By adoption of such Master Plan and this Declaration, Declarant is not committing itself to take any action for which definite provision is not made below. One who acquires property in Stonegate will have the advantage of any further development of Stonegate, but shall not have any legal right to insist that there be development except as provided in this instrument or in the instruments which hereafter may be recorded annexing areas to Stonegate and subjecting areas to this Declaration.

F. Declarant has recorded the plat of Stonegate in the plat records of Deschutes County, Oregon. Declarant desires to subject the property described in such plat to the conditions, restrictions and charges set forth in this instrument for the benefit of such property

and its present and subsequent owners, and to establish such property as the first phase of a Class I planned community under the Oregon Planned Community Act, ORS 94.550 to 94.783.

**NOW, THEREFORE**, Declarant hereby declares that the property described in Section 2.1 below shall be held, sold and conveyed subject to the following easements, covenants, restrictions and charges, which shall run with such property and shall be binding upon all parties having or acquiring any right, title or interest in such property or any part thereof and shall inure to the benefit of each owner thereof.

All real property within that certain plat entitled “Stonegate, P.U.D. Phase 1” filed in the plat records of Deschutes County, Oregon as record number \_\_\_\_\_.

2.2 Annexation of Additional Property. Declarant may from time to time and in its sole discretion annex to Stonegate as Additional Property any real property now or hereafter acquired by it, and may also from time to time and in its sole discretion permit other holders of real property to annex the real property owned by them to Stonegate. The annexation of such Additional Property shall be accomplished as follows:

(a) The owner or owners of such real property shall record a declaration which shall be executed by or bear the approval of Declarant and shall, among other things, describe the real property to be annexed, designate the Project of which such property is a part, establish land classifications for the Additional Property, establish any additional limitations, uses, restrictions, covenants and conditions which are intended to be applicable to such Additional Property, and declare that such property is held and shall be held, conveyed, hypothecated, encumbered, used, occupied and improved subject to this Declaration.

(b) The Additional property included in any such annexation shall thereby become a part of Stonegate and this Declaration, and the Declarant and the Association shall have and shall accept and exercise administration of this Declaration with respect to such property.

(c) Notwithstanding any provision apparently to the contrary, a declaration with respect to any Additional Property may:

(i) Establish such new land classifications and such limitations, uses, restrictions, covenants and conditions with respect to such Additional Property as Declarant may deem to be appropriate for the development of the Additional Property.

(ii) With respect to existing land classifications, establish additional or different limitations, uses, restrictions, covenants and conditions with respect to such property as Declarant may deem to be appropriate for the development of such Additional Property.

(d) There is no limitation on the number of Lots or Living Units, which Declarant may create or annex to Stonegate, except as may be established by applicable

2.4 Withdrawal of Property. Declarant may withdraw property from Stonegate only by duly adopted amendment to this Declaration, except that Declarant may withdraw all or a portion of the Initial Development or any Additional Property annexed pursuant to a declaration described in Section 2.2 above at any time prior to the sale of the first Lot in the respective plat of the Initial Development or in the case of Additional property, prior to the sale of the first Lot in the property annexed by the supplemental declaration, subject to the prior approval of the City of Bend. (c) Common Areas, which shall be the areas marked as Common Tracts 1, 2, 3, 4, 5, 6, 7, 8, 9 and the Private Roadways of Stonegate Drive, Addie Triplett Loop, Sawtooth Mountain Lane, Hedgewood Lane, Rolled Rock Way and Sage Stone Loop as shown on the plat of the Initial Development.

(d) Common Easement Areas. There are no Common Easement Areas within the plat of the Initial Development.

(e) Limited Common Area. There are no Limited Common Areas within the plat of the Initial Development.

(f) Public Areas, which shall be the Private Roadways shown on the plat of the Initial Development, together with the pedestrian trails located within Common Tracts 1 and 2.

3.2 Conversion of Lots to Common Areas. Declarant may elect to build common facilities on one or more Lots and designate such Lots as Common Areas by a declaration recorded in the deed records of Deschutes County, Oregon. Declarant, as owner of the Lots, shall execute such declaration.

**Article 4**  
**Property Rights In Common Areas**

4.1 Owners Easements of Enjoyment. Subject to provisions of this Section, every Owner and his invitees shall have a right and easement of enjoyment in and to the Common Areas, which easement shall be appurtenant to and shall pass with the title to every Lot. The use of any Limited Common Areas, however, shall be limited to the Owners and invitees of the Lots designated in the declaration establishing the Limited Common Area.

4.2 Common Easement Areas. Common Easement Areas, if any, shall be reserved for signage and visual landscape features. Such areas are to be maintained by the Association and no changes in landscaping will be permitted within such areas without written authorization by the Board of Directors of the Association. No building, wall, fence, paving, landscaping or construction of any type shall be erected or maintained by any Owner so as to trespass or encroach upon the Common Easement Areas, nor may any such areas be used by the Owner for storm water treatment purposes.

4.3 Limited Common Areas. The respective Limited Common Areas shall be subject to a reciprocal access easement for the exclusive use by the Owners of the benefited Lots for vehicular access. Such areas shall be operated, maintained, replaced and improved by the Association, but the entire cost thereof shall be assessed to the owners of Lots to which such Limited Common Areas pertain.

4.4 Title to Common Areas. Title to the Common Areas, except Common Easement Areas, shall be conveyed to the Association by Declarant, free and clear of monetary liens, prior to the Turnover Meeting. Title to Common Easement Areas, subject to the easements set forth in this Declaration, shall rest in the Owners of the respective Lots within which such areas are located, or to the public if part of dedicated street right of ways.

4.5 Extent of Owners' Rights. The rights and easements of enjoyment in the Common Areas created hereby shall be subject to the following and all other provisions of this Declaration:

(a) Association Easements. Declarant grants to the Association for the benefit of the Association and all Owners of Lots within the Property the following easements over, under and upon the Common Areas, including the Common Easement Areas:

(i) An easement on all Common Areas for underground installation and maintenance of power, gas, electric, water and other utility and communication lines and services installed by Declarant or with the approval of the Board of Directors of the Association and any such easement shown on any plat of the Property.

(ii) An easement for construction, maintenance, repair and use of Common Areas, including common facilities thereon.

(iii) An easement for the purpose of making repairs to any existing structures on Common Areas.

(b) Public and Utility Easements. Access easements are hereby granted to the public over all alley areas and pedestrian trails within the Property. In addition, Declarant or the Association may (and, to the extent required by law, shall) grant or assign such easements to municipalities or other utilities performing utility services and to communication companies, and the Association may grant free access thereon to police, fire and other public officials and to employees of utility companies and communications companies serving the Property.

(c) Use of the Common Areas. The Common Areas shall not be partitioned or otherwise divided into parcels for residential use, and no private structure of any type shall be constructed on the Common Areas. Except as otherwise provided in this Declaration, the Common Areas shall be reserved for the use and enjoyment of all Owners and no private use may be made of the Common Areas, including Common Easement Areas. Nothing herein shall prevent the placing of a sign or signs upon the Common Areas identifying the Property or any Project or identifying pathways or items of interest, signs restricting certain uses or warning signs, provided such signs are approved by the Architectural Review Committee, are consistent with the City of Bend Sign Code and meet vision clearance standards contained in the City of

Bend Land Development code. Lighting for the Property shall be shielded such that it does not shine on adjacent properties, and shall be consistent with the City of Bend Land Development Code and the lighting plan approved by the City of Bend. The Board of Directors of the Association shall have authority to abate any trespass or encroachment upon the Common Area at any time, by any unreasonable means and with or without having to bring legal proceedings. A declaration annexing Additional property may provide that the Owners of such Additional Property do not have the right to use a particular Common Area or facility located on such Common Area. In such case, those Owners will not be required to share in the costs of maintaining the facility, as is more particularly described in Section 10.10.

(d) Alienation of the Common Areas. The Association may not by act or omission seek to abandon, partition, subdivide, encumber, sell or transfer the Common Areas owned directly or indirectly by the Association for the benefit of the Lots unless the holders of at least 80 percent of the Class A Association voting rights and the Class B member (as defined in Section 8.3 below), if any, have given their prior written approval and unless approved by the City of Bend. This provision shall not apply to the easements described in Section 4.5 (b) above. The Association, upon approval in writing of at least 50 percent of the Class A Association voting rights and the Class B member, if any, and if approved by order or resolution of the City of Bend, may dedicate or convey any portion of the Common Areas to a park district or other public body.

(e) Limitations on Use. Use of the Common Areas by the Owners shall be subject to the provisions of this Declaration and to the following:

(i) The right of the Association to suspend such use rights of an Owner to the extent provided in Article 11 below.

(ii) The right of the Association to adopt, amend and repeal rules and regulations in accordance with this Declaration.

4.6 Delegation of Use. Any Owner may delegate, in accordance with the Bylaws of the Association, his right of enjoyment of the Common Areas to the family members, tenants, invitees and guests, whose use shall be subject to this Declaration and rules and regulations adopted under this Declaration.

4.7 Easements Reserved by Declarant. So long as Declarant owns any Lot, Declarant reserves an easement over, under and across the Common Areas in order to carry out sales and rental activities necessary or convenient for the sale or rental of Lots. In addition, Declarant hereby reserves to itself and for the owners of Lots in all future phases of Stonegate a perpetual easement and right-of-way for access over, upon and across the common Areas for construction, utilities, communication lines, drainage, and ingress and egress over, in, upon, under and across the Common Areas and the right to store materials thereon and to make such other use thereof as may be reasonably necessary or incident to the construction of the Improvements on the Property or other real property owned by Declarant; provided, however, that no such rights shall be exercised by Declarant in such a way as to unreasonably interfere with the occupancy, use, enjoyment or access to an Owner's Lot by that Owner or his family, tenants, employees, guests or invitees.

**Article 5**  
**Property Rights In Lots**

5.1 Use and Occupancy. The Owner of a Lot in the Property shall be entitled to the exclusive use and benefit of such Lot, except as otherwise expressly provided in this Declaration, contained in Article 5 and 6, and all other provisions of this Declaration and the Provisions of any supplement or amendment to this Declaration and any applicable Project Declaration.

5.2 Easements Reserved. In addition to any utility and drainage easements shown on any recorded plat, Declarant hereby reserves the following easement for the benefit of Declarant and the Association.

(a) Adjacent Common Area. The Owner of any Lot which blends together visually with any Common Area shall, if the Association elects from time to time to so require, permit the Association to enter upon the Lot to perform the maintenance of such Common Area.

(b) Right of Entry. Declarant, the Architectural Review Committee and any representative of the Association authorized by it may at any reasonable time, and from time to time at reasonable intervals, enter upon any Lot for the purpose of performing the Front Yard maintenance, determining whether or not the use and/or improvements of such Lot are then in compliance with this Declaration, and performing maintenance on Townhomes Units as required by this Declaration. No such entry shall be deemed to constitute a trespass or otherwise create any right of action in the Owner of such Lot.

(c) Utility Easements. Easement for installation and maintenance of utilities and drainage facilities may be reserved over portions of certain Lots, as shown on any recorded plat. Within the easements, the Architectural Review Committee will not permit any structure, planting or other material to be placed or permitted to remain on the easement area which may damage or interfere with the installation or maintenance of utilities, or which may change the direction or flow of drainage channels in the easements. The easement area of each Lot and all improvements in it shall be maintained continuously by the Owner of the Lot, except for those improvements for which a public authority or utility company is responsible, and Common Easement areas, which will be maintained by the Association.

(d) Encroachments. Each Lot shall have an easement over all adjoining Lots for the purpose of accommodating any present or future encroachment as a result of engineering errors, construction, reconstruction, repairs, settlement, shifting or movement of any portion of the Property, or any other similar cause, and any encroachment due to building overhang or projection. There shall be valid easements for the maintenance of the encroaching Units so long as the encroachments shall exist, and the rights and obligations of Owners shall not be altered in any way by the encroachment. The encroachments described in this paragraph shall not be construed to be encumbrances affecting the marketability of title to any Lot. Nothing in this Section shall relieve an Owner of liability in the case of the Owner's willful misconduct.

(e) Utilities. Each Townhome Living Units shall have an easement under and across all other Townhome Living Units whose units are joined by a series of common walls, for installation, maintenance and use of power, gas, electric, water and other utility and communication lines and services and for meters measuring such services.

(a) Detached Unit Lots shall be subject to the following Side Yard Easement: Adjoining side yards between two Living Units where there is no fence along the boundary line shall be subject to a cross easement for maintenance of the Living Units and to allow the occupant of each of such Living Units access to the rear yard of their Lot. The cross easement shall be over the first 48 inches from the common property line, thereby creating an eight foot wide pathway centered between the Living Units. Each Owner shall be responsible for maintaining such Owner's portion of the easement area surface and to keep the easement area clear of obstruction which in any manner might hinder access to their rear yards. In the event of any disputes between the Owners regarding either Owner's use of the Side Yard Easement Area, such dispute shall be submitted to the board of directors of the Association, whose determination shall be final.

(b) Zero Lot Line Easements. In the event any dwelling unit constructed on any Lot has a wall constructed on the boundary of that Lot with another Lot, then the Owner of the Lot on which the dwelling unit is located shall have an easement four feet in width on the adjoining Lot along and adjacent to the common boundary for the purpose of construction, repairing and maintaining such wall. The Association shall settle any disputes between Owners relating to such easement area.

### 5.5 Townhome Living Units.

(a) Party Walls. Each wall which is built as part of the original construction of the dwellings within the Property and placed upon the dividing line between Lots shall constitute a "party wall" and the following provisions shall apply:

(b) General Rules of Law to Apply. Each wall that divides two Townhome Living Units, and which is placed on the divided line between the Lots, shall constitute a party wall, and, to the extent not inconsistent with the provisions of this Article, the general rules of law regarding party walls shall apply thereto.

(c) Sharing of Repair and Maintenance of Party Walls. The cost of repair and maintenance of a party wall shall be shared equally by the Owners whose Townhome Living Units are divided by such wall.

(d) Destruction by Fire or Other Casualty. If a party wall is destroyed or damaged by fire or other casualty, other than the negligence of either party sharing the wall, then the Owners shall, at their joint expense, repair or rebuild the party wall, and each party, its

successors and assigns, shall have the right to the full use of the wall so repaired or rebuilt. If either party's action or negligence causes the damage to or destruction of the wall, such negligent party shall bear the entire cost of repair or reconstruction. In the event of any dispute as to the cause of the damage or the repair or restoration of the party wall, the matter shall be determined by arbitration as provided below.

(e) Drilling Through Party Wall. Either party shall have the right to break through the party wall for the purpose of repairing or restoring sewerage, water and other utilities, subject to the obligation to restore the wall, including common foundation wall and/or roof, to its previous structural and cosmetic condition at such party's own expense and the payment to the adjoining Owner of any damages negligently caused thereby.

(f) Weatherproofing. Notwithstanding any other provision of this Article, an Owner who by his or her negligent or willful act causes the party wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements.

(g) Right to Contribution Runs with Land. The right of any Owner to contribution from any other Owner under this Article shall be appurtenant to the land and shall pass to such Owner's successor in title.

(h) Easement. No Owner shall alter or change a party wall in any manner, interior decoration excepted. Each party wall shall always remain in its present location. Each adjacent Owner shall have a perpetual easement in that part of the Living Unit of the adjacent Owner on which the party wall is located, for party wall purposes.

(i) Insurance. The Association, through the Board of Directors, shall obtain and maintain at all times and shall pay for out of operating assessments assessed to Townhome Units property insurance including, but not limited to, fire, extended coverage, vandalism, and malicious mischief, covering the Townhome Living Units, including fixtures, equipment, and other property which would ordinarily be required to be covered by a holder of a first mortgage.

(j) Destruction of Living Unit. If one or more the Townhome Living Units are damaged, destroyed, or partially condemned, the Association's Board of Directors shall immediately proceed to rebuild and restore the Building or Buildings so damaged, destroyed, or partially condemned so that the same will be returned to substantially the same condition in which the Building or Buildings existed prior to such damage, destruction, or partial condemnation. Each Living Unit shall have substantially the same vertical and horizontal boundaries as before. If the insurance proceeds are insufficient to rebuild and restore, the Owners shall be liable for assessment for any deficiency.

## **Article 6**

### **General Use Restrictions**

6.1 Structures Permitted. No structures shall be erected or permitted to remain on any Lot except structures containing Living Units, including an Accessory Dwelling Unit, if permitted by applicable governmental regulations, and structures normally accessory thereto. All new structures, which are not shown on the approved plans for the community by the City of Bend, shall be subject to the City of Bend rules and regulations, which shall include but not be limited to Site Plan review. Such provision shall not exclude construction of a private greenhouse, storage unit, private swimming pool or structure for the storage of a boat and/or

camping trailer for personal use, provided the location of such structure is in conformity with the applicable governmental regulations, is compatible in design and decoration with the dwelling structure constructed on such Lot, and has been approved by the Architectural Review Committee.

6.2 Residential Use. Lots shall only be used for residential purposes. Except with the consent of the Board of Directors of the Association, no trade, craft, business, profession, commercial or similar activity of any kind shall be conducted on any Lot, nor shall any goods, equipment, vehicles, materials or supplies used in connection with any trade, service or business be kept or stored on any such Lot. The mere parking on a Lot of a vehicle bearing the name of a business shall not, in itself, constitute a violation of this provision. Nothing in this paragraph shall be deemed to prohibit (a) activities relating to the rental or sale of Living Units, (b) the right of Declarant or any contractor or homebuilder to construct Living Units on any Lot, to store construction materials and equipment on such Lots in the normal course of construction, and to use any Living Unit as a sales or rental office or model home for purposes of sales or rental in Stonegate, and (c) the right of the Owner of a Lot to maintain his professional personal library, keep his personal business or professional records or accounts, handle his personal business or professional telephone calls or confer with business or professional associates, clients or customers, in his Living Unit. The Board of Directors shall not approve commercial activities otherwise prohibited by this paragraph unless the Board of Directors determines that only normal residential activities would be observable outside of the Living Unit and that the activities would not be in violation of applicable governmental ordinances.

6.3 Leasing of Living Units. Leasing of Living Units, which shall be for a period of not less than thirty (30) days, is permitted subject to compliance with rules established by the Board of Directors governing such rentals, including without limitation, the number of occupants, length of stay and number of parking spaces utilized. Any Owner wishing to lease the Living Unit must list the unit for lease with the same management company retained by the Association, or if such management company does not provide such services, with a management company approved by the Board of Directors for such purposes. Owners wishing to perform those services themselves may request a conditional exemption from the Board of Directors for such purposes.

All leases shall be by written lease agreement, which shall provide that the terms of the lease shall be subject in all respects to the provisions of this Declaration and the Articles of Incorporation and Bylaws of the Association, and that any failure by the lessee or tenant to comply with the terms of such documents shall be a default under the lease. If the Board of Directors finds that a lessee or tenant has violated any provision of such documents or rules and regulations, the Board may require the Owner to terminate such lease or rental agreement. Other than the foregoing, there is no restriction on the right of any Owner to lease or rent his living unit.

6.4 Offensive or Unlawful Activities. No noxious or offensive activities shall be carried out upon the Property, nor shall anything be done or placed on the Property which interferes with or jeopardizes the enjoyment of the Property, or which is a source of annoyance to Owners or occupants. No unlawful use shall be made of the Property nor any part thereof, and

all valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction over the Property shall be observed.

6.5 Animals. No animals, livestock or poultry of any kind shall be raised, bred or kept or permitted within any Lot other than a reasonable number of household pets which are not kept, bred or raised for commercial purposes and which are reasonably controlled so as not to be a nuisance. Any inconvenience, damage or unpleasantness caused by such pets shall be the responsibility of their respective owners. In the absence of fences in the community, all dog owners are required to install electronic pet fencing to insure that dogs are kept within the confines of the Owner's Lot. Kennel runs may not be installed unless approved by the Architectural Review Committee. No animal shall be permitted to roam the Property unattended, and all dogs shall be kept on a leash while outside the Lot. An Owner or occupant may be required to remove a pet upon receipt of the third written notice from the Association Board of Directors of violations of any rule, regulation or restriction governing pets within the Property.

6.6 Maintenance of Structures and Grounds. With the exception of those maintenance items required to be provided by the Association, each Owner shall maintain the Owner's Lot and Improvements thereon in a clean and attractive condition, in good repair and in such fashion as not to create a fire or other hazard. Such maintenance shall include, without limitation, exterior painting, repair, replacement and care for roofs, gutters, downspouts, exterior building surfaces, walks, lights and fences on alleys and other exterior improvements and glass surfaces. All repainting or restaining and exterior remodeling shall be subject to prior review and approval by the Architectural Review Committee. In addition, each Owner shall keep all sidewalks, shrubs, trees, grass and plantings of every kind on the Owner's Lot neatly trimmed, properly cultivated and free of trash, weeds and other unsightly material. Damage caused by fire, flood, storm, earthquake, riot, vandalism, or other causes shall likewise be the responsibility of each Owner and shall be restored within a reasonable period of time.

6.7 Recreational and Commercial Vehicles. Except as may otherwise be provided in the rules and regulations of the Association, boats, trailers, motorcycles, campers or other recreational or commercial vehicles or equipment with a gross vehicle weight in excess of 9,000 are prohibited from overnight parking on public or private streets, or on any portion of the Property with the following exceptions. (1) Within areas that may be designated for such purpose by the Board of Directors, (2) Within the confines of an enclosed garage, (3) Placed behind lot fencing with no portion of the vehicle projecting beyond the fencing. If there is no rear or side fencing and the vehicle could be seen from a roadway outside the Lot other than from the front yard, or by an adjoining lot owner, then the vehicle must also be screened from view with fencing from that direction as well. Vehicles with a height in excess of 10' from ground to top shall not be parked within the Property except under exception 1 or 2 above. Vehicles may not be used for storage of materials for more than forty-eight (48) hours without approval from the Architectural Review committee. Any vehicle in violation of this Article can be towed or impounded as provided in Article 11.1 (c) below.

6.8 Vehicles in Disrepair. No Owner shall permit any vehicle, which is in an extreme state of disrepair to be abandoned or to remain parked on the Owner's Lot unless screened from view, on the Common Area or on any street for a period in excess of forty-eight (48) hours. A vehicle shall be deemed in an "extreme state of disrepair" when the Board of Directors

reasonably determines that its presence offends the occupants of the area due to its appearance or continued inoperability. Should any Owner fail to remove such vehicle within five (5) days following the date on which the Association mails notice to him, the Association may have the vehicle removed from the property and charge the expense of such removal to the Owner. Any vehicle parked in violation of this Section can be towed or impounded as provided in Section 11.1(c) below.

6.9 Noisy and Hazardous Vehicles. The Board of Directors may restrict access to the Property of any vehicle, which, in the reasonable determination of the Board of Directors, is too noisy or constitutes a safety hazard.

6.10 Parking. Parking of vehicles by Owner shall be restricted to the Owner's garage or driveway. Parking in the street by Owner is prohibited, except for any parking areas so designated by the Board of Directors.

6.11 Signs and Flags. No signs shall be erected or maintained on any Lot except signs which were approved as to appearance and location by the Association's Architectural Review Committee. Sign requirements shall be included within the Architectural Review Guidelines. Signage is limited to one sign per site. Signs must be installed on Owners lot only and must not obstruct clear vision for traffic. Signs placed in the window of a residence, attached to fencing, trees or other structures are prohibited. Signage is to be used only during construction or sale of a living unit and must be removed upon occupancy or when the sale is complete. "For Rent" or "For Lease", subcontractor, vendor or push-in signs are prohibited. Any sign that is either prohibited or not maintained will be removed as needed by the Association and the owner will be billed accordingly. Removed signs will be held for a maximum of thirty (30) days at which time they will be destroyed. Signs that have been removed may require the payment of a redemption fee to the Association. The restrictions contained in this paragraph shall not apply to the placement by the Association, Declarant or Declarant's agent of one or more signs identifying the name of the Declarant and/or the location of a sales office or model home.

6.12 Rubbish and Trash. Trash, garbage and other waste shall be kept in sanitary containers, screened from public view. No part of the Property shall be used as a dumping ground for trash, garbage, waste, debris or rubbish of any kind. Yard rakings, dirt and other material resulting from landscaping work shall not be dumped onto Lots or streets, or Common Areas. Should any Owner or occupant responsible for its generation fail to remove any trash, rubbish, garbage, yard rakings or any such materials from any streets or the Property where deposited by such person within ten (10) days following the date on which notice is mailed to the Owner or occupant by the Board of Directors of the Association, the Association may have such materials removed and charge the expense of such removal to the Owner.

6.13 Landscape. Except for maintenance required to be provided by the Association, each Owner shall be responsible for installing and maintaining the landscaping on any portion of the Lot in a neat and well-kept condition. An Owner may not remove street trees, change the Front Yard landscaping or install additional significant Front Yard landscaping without the prior written approval of the Architectural Review Committee of the Association. Vegetation around structures shall be maintained or modified for a minimum distance of thirty (30) feet around structures to prevent the rapid spread of fire to or from the building site. Such clearance shall be

established prior to framing and maintained upon completion consistent with the applicable governmental codes and ordinances. This provision shall not preclude the establishment of typical residential landscaping such as trees, shrubs, bulbs, perennials and other groundcover generally associated with residential Development but is intended to prevent the overgrowth of grasses and shrubs which when not maintained on a site could contribute to the rapid spread of fire. All landscaping (including front, rear and side yards) shall be completed within six (6) months from the date of occupancy of the Living Unit constructed thereon. Landscaping must include at least grass and bark dust unless the Board adopts a formal Xeriscape plan, and shall be maintained in harmony with surrounding landscaping. In the event of undue hardship due to weather conditions, this provision may be extended for a reasonable length of time upon written approval of the Architectural Review Committee. No weeds, noxious plants, or unmaintained vegetation shall be planted or allowed to grow. No tree over six inches (6") in diameter measured four feet (4') above adjacent grade may be removed without the prior approval of the Architectural Review Committee.

6.14 Temporary Structures. No structure of a temporary character, trailer, basement, tent, shack, garage, barn or other outbuildings shall be used on any Lot at any time as a residence either temporarily or permanently, except during the period of initial construction of a dwelling on the Lot. No structure may be occupied prior to connection to power, water and sewer and approval by the City of Bend.

6.15 Fences and Hedges. If allowed, no fences or boundary hedges shall be installed without prior approval of the Architectural Review Committee consistent with Design Guidelines adopted by the Architectural Review Committee and the City of Bend Conditions of Approval for Stonegate.

6.16 Service Facilities. Service facilities (garbage cans, fuel tanks, clotheslines, clothesline poles and other outside drying of clothes, linens and such, firewood, gardening tools, and equipment, etc.) shall be screened such that the elements screened are not visible at any time from the street or a neighboring property. Appliances may not be stored outside. All heat pumps and condenser units (or other utilities and devices commonly placed out of doors) shall receive special consideration to provide visual screening and noise reduction.

6.17 Outside Furniture and Hot Tubs. Furniture left outside a Living Unit shall be limited to items commonly accepted as outdoor or patio furniture. Hot tubs are allowed with the prior written permission of the Architectural Review Committee. Hot tubs must be installed out of sight of the main traffic patterns. Locking covers are required and shall remain locked when not in use.

6.18 Exterior Lot Appearance. All portions of the Lot that are visible to surrounding lots or from the street, shall be kept in a neat and attractive appearance, which shall include but not be limited to landscaping, play structures, furniture, exterior improvements, toys and personal belongings.

6.19 Window, Decks, Porches, Patios and Outside Walls. In order to preserve the attractive appearance of the Property, the Board of Directors of the Association may regulate the nature of items which may be placed in or on windows, decks, porches, patios and the outside

walls so as to be visible from outside the Lot. Garments, rugs, laundry and other similar items may not be hung from windows, facades, porches, patios or decks.

Oregon statutory law prohibits the use of certain types of fireworks. Only fireworks considered legal and are both silent and hand held will be allowed. Discharge of firearms or fireworks of any type toward the ASI area is prohibited. Owners and their guests must clean up any fireworks discharged in Stonegate.

6.23 Nonbiodegradable Substances. No motor oil, paint or other caustic or nonbiodegradable substance may be deposited in any street drain, sewer system or on the grounds within Stonegate. Any fine and/or costs associated with the cleanup of any nonbiodegradable substance that is caused by any Owner or their guests shall be responsibility of the offending Owner.

6.24 Antennas and Satellite Dishes. Exterior antennas, satellite receiver and transmission dishes and other communication devices shall not be permitted to be placed upon any Lot except in accordance with rules established by the Architectural Review Committee in accordance with Section 7.3.

6.25 Exterior Lighting or Noisemaking Devices. Except with the consent of the Architectural Review Committee, no exterior lighting or noise making devices may be installed or maintained on any Lot, other than as originally installed by the builder of the home and security and fire alarms. Outside lighting shall be designed to prevent unnecessary light spillage onto adjoining Lots, public streets, or into private residences, and no high output exterior lighting, including, but not limited to mercury vapor and halide lights, may be installed without the specific approval of the Architectural Review Committee. The size and design of light standards and fixtures shall be considered by the Architectural Review Committee in its review of plans. Seasonal holiday lighting and decorations are permissible if consistent with any applicable rules and regulations and if removed within thirty (30) days after the celebrated holiday.

6.26 Pest Control. No Owner shall permit any thing or condition to exist upon any portion of the Property, which shall induce, breed or harbor infectious plant or animal diseases or noxious insects or vermin.

6.27 Grades, Slopes and Drainage. Each Owner of a Lot shall accept the burden of, and shall not in any manner alter, modify or interfere with, the established drainage pattern and grades, slopes and courses related thereto over any Lot or Common Area without the express written permission of the Architectural Review Committee, and then only to the extent and in the manner specifically approved. No structure, plantings or other materials shall be placed or permitted to remain on or within any grades, slopes, or courses, nor shall any other activities be undertaken which may damage or interfere with established slope ratios, create erosion or sliding problems, or which may change the direction of flow, or obstruct or retard the flow of water through drainage channels.

6.28 Additional Restrictions. Each Owner of a Lot, and such Owner's family, tenants, employees, guests and invitees, shall also comply with any additional use restrictions contained in any supplemental declaration annexing such Lot to Stonegate and in any Project Declaration applicable to such Lot.

6.29 Minimum Floor Area. Any Living Unit with a design other than one furnished by Declarant or the Architectural Review Committee shall have a minimum 500 square feet of floor area on the main floor.

## **Article 7** **Architectural Committee**

7.1 Architectural Review. All Lots shall be subject to Architectural Review, and the Architectural Review Guidelines that may be approved by the Board of Directors. No Improvement shall be commenced, erected, placed or altered on any Lot until the construction

plans and specifications showing the nature, shape, heights, materials, colors and proposed location of the Improvement have been submitted to and approved in writing by the Architectural Review Committee. It is the intent and purpose of this Declaration to assure quality of workmanship and materials and to assure harmony of external design with the existing Improvements and as to location with respect to topography and finished grade elevations and compliance with the setback requirements contained in applicable governmental development code standards. The building plans to be submitted shall consist of one complete set of plans and specifications in the usual form showing insofar as appropriate, (i) the size and dimensions of the Improvements, (ii) the exterior design, (iii) approximate exterior color scheme, (iv) location of Improvements on the Lot, including setbacks, driveway and parking areas, and (v) location of existing trees to be removed. These plans and specifications shall be left with the Committee until sixty (60) days after the Committee has received notice of completion. This is for the purpose of determining whether, after inspection by the Committee, the Improvement complies substantially with the plans and specifications submitted and approved. The Architectural Review Committee is not responsible for determining compliance with structural and building codes, solar ordinances, zoning codes or any other governmental regulations, all of which are the responsibility of the applicant. The procedure and specific requirements for review and approval of construction may be set forth in Design Guidelines adopted from time to time by the Architectural Review Committee. The Committee may charge a reasonable fee to cover the cost of processing the application. In all cases in which the Architectural Review Committee consent is required by this Declaration, or any Project Declaration, the provisions of this Section shall apply, except that this Section shall not apply to construction by Declarant.

7.2 Committee Decision. The Architectural Review Committee shall render its decision with respect to the construction proposal within thirty (30) working days after it has received all material required by it with respect to the application. In the event the Committee fails to render its approval or disapproval within forty-five (45) working days after the Committee has received all material required by it with respect to the proposal, or if no suit to enforce this Declaration has been commenced within one year after completion thereof, approval will not be required and the related provisions of this Declaration shall be deemed to have been fully complied with.

7.3 Committee Discretion. The Architectural Review Committee may, at its sole discretion, withhold consent to any proposed work if the Committee finds the proposed work would be inappropriate for the particular Lot or incompatible with the design standards that the Committee intends for Stonegate. Considerations such as siting, shape, size, color, design, materials, height, solar access, screening, impairment of the view from other Lots, or other effect on the enjoyment of other Lots, disturbance of existing terrain and vegetation and any other factors which the Committee reasonably believes to be relevant, may be taken into account by the Committee in determining whether or not to consent to any proposed work. Regulations on siting of television antennas and satellite receiving dishes shall be in conformance with any applicable Federal Communications Commission rules.

7.4 Membership: Appointment and Removal The Architectural Review Committee shall consist of as many persons, but not less than two, as the Declarant may from time to time appoint. The Declarant may remove any member of the Committee from office at its discretion at any time and may appoint new or additional members at any time. The Association shall keep

on file at its principal office a list of the names and addresses of the members of the Committee. Declarant may at any time delegate to the Board of Directors of the Association the right to appoint or remove members of the Architectural Review Committee. In such event, or in the event Declarant fails to appoint an Architectural Review Committee, the Board of Directors shall assume responsibility for appointment and removal of members of the Architectural Review Committee, or if it fails to do so, the Board of Directors shall serve as the Architectural Review Committee.

7.5 Majority Action. Except as otherwise provided in this Declaration, a majority of the members of the Architectural Review Committee shall have the power to act on behalf of the Committee, without the necessity of a meeting and without the necessity of consulting the remaining members of the Committee. The Committee may render its decision only by written instrument setting forth the action taken by the consenting members.

7.6 Liability. Neither the Architectural Review Committee nor any member thereof shall be liable to any Owner, occupant, builder or developer for any damage, loss or prejudice suffered or claimed on account of any action or failure to act of the Committee or a member of the Committee, and the Association shall indemnify the Committee and its members therefrom, provided only that the member has, in accordance with the actual knowledge possessed by him, acted in good faith.

7.7 Nonwaiver. Consent by the Architectural Review Committee to any matter proposed to it or within its jurisdiction shall not be deemed to constitute a precedent or waiver impairing its right to withhold approval as to any similar matter thereafter proposed or submitted to it for consent.

7.8 Appeal. At any time after Declarant has delegated appointment of the members of the Architectural Review Committee to the Board of Directors of the Association pursuant to Section 7.4, any Owner adversely affected by action of the Architectural Review Committee may appeal such action to the Board of Directors of the Association. Appeals shall be made in writing within ten (10) days of the Committee's action and shall contain specific objections or mitigating circumstances justifying the appeal. A final, conclusive decision shall be made by the Board of Directors of the Association within fifteen (15) working days after receipt of such notification.

7.9 Effective Period of Consent. The Architectural Review Committee's consent to any proposed work shall automatically be revoked one year after issuance unless construction of the work has been substantially commenced in the judgment of the Architectural Review Committee and thereafter diligently pursued, unless the Owner has applied for and received an extension of time from the Committee.

7.10 Estoppel Certificate. Within fifteen (15) working days after written request is delivered to the Architectural Review Committee by any Owner, and upon payment to the Committee of a reasonable fee fixed by the Committee to cover costs, the Committee shall provide such Owner with an estoppel certificate executed by a member of the Committee and acknowledged, certifying with respect to any Lot owned by the Owner, that as of the date thereof, either: (a) all Improvements made or done upon or within such Lot by the Owner

comply with this Declaration, or (b) such Improvements do not so comply, in which event the certificate shall also identify the noncomplying Improvements and set forth with particularity the nature of such noncompliance. Any purchaser from the Owner, and any mortgagee or other encumbrancer, shall be entitled to rely on such certificate with respect to the matters set forth therein, such matters being conclusive as between Declarant, the Architectural Review Committee, the Association and all Owners, and such purchaser or mortgagee.

7.11 Enforcement. If during or after the construction, the Architectural Review Committee finds that construction does not comply with the approved plans, the Committee may require conforming changes to be made or that construction be stopped. The cost of any required changes shall be borne by the Owner. The Committee shall have the power and authority to order any manner of changes or complete removal of any Improvement, alteration or other activity for which prior written approval from the Committee is required and has not been obtained or waived in writing. If an Owner fails to comply with an order of the Committee, then, subject to the Owner's right of appeal under Section 7.8, either the Architectural Review Committee or the Association may enforce compliance in accordance with the procedures set forth in Section 11.1 below.

## **Article 8** **Association**

Declarant shall organize an association of all of the Owners within Stonegate. Such Association, its successors and assigns, shall be organized as an Oregon nonprofit corporation under the name "Stonegate Owners Association" or such similar name as Declarant shall designate, and shall have such property, powers and obligations as are set forth in this Declaration for the benefit of the Property and all Owners of Lots located therein.

8.1 Organization. Declarant shall, before the first Lot is conveyed to an Owner, organize the Association as a nonprofit corporation under the general nonprofit corporation laws of the State of Oregon. The Articles of Incorporation of the Association shall provide for its perpetual existence, but in the event the Association is at any time dissolved, whether inadvertently or deliberately, an unincorporated association of the same name shall automatically succeed it. In that event the assets of the Association shall be dedicated to a public body, or all of the property, powers and obligations of the incorporated association existing immediately prior to its dissolution shall thereupon automatically vest in the successor unincorporated association, and such vesting shall thereafter be confirmed as evidenced by appropriate conveyances and assignments by the incorporated association. To the greatest extent possible, the Articles of Incorporation and Bylaws of the Association shall govern any successor-unincorporated association as if they had been made to constitute the governing documents of the unincorporated association.

8.2 Membership. Every Owner of one or more Lots within the Property shall, immediately upon creation of the Association and thereafter during the entire period of such Owner's ownership of one or more Lots within the Property, be a member of the Association. Such membership shall commence, exist and continue simply by virtue of such ownership, shall expire automatically upon termination of such ownership, and need not be confirmed or evidenced by any certificate or acceptance of membership.

8.3 Voting Rights. The Association shall have two classes of voting membership:

Class A. Class A members shall be all Owners with the exception of the Class B member and shall be entitled to one vote for each Lot owned. When more than one person holds an interest in any Lot, all such persons shall be members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one vote be cast with respect to any Lot.

Class B. The Class B member shall be the Declarant and shall be entitled to three votes for each Lot owned by Declarant. The Class B membership shall cease and be converted to Class A membership on the happening of either of the following events, whichever occurs earlier:

(i) When ninety percent (90%) of the Lots of the last phase of Stonegate have been sold and conveyed to Owners other than a successor Declarant; or

(ii) At such earlier time as Declarant may elect in writing to terminate Class B membership.

8.4 General Powers and Obligations. The Association shall have, exercise and perform all of the following powers, duties and obligations:

(a) The powers, duties and obligations granted to the Association by this Declaration.

(b) The powers and obligations of a nonprofit corporation pursuant to the general nonprofit corporation laws of the State of Oregon.

(c) The powers, duties and obligations of a homeowners association pursuant to the Oregon Planned Community Act.

(d) Any additional or different powers, duties and obligations necessary or desirable for the purpose of carrying out the functions of the Association pursuant to this Declaration or otherwise promoting the general benefit of the Owners within the Property.

The powers and obligations of the Association may from time to time be amended, repealed, enlarged or restricted by changes in this Declaration made in accordance with its provisions, accompanied by changes in the Articles of Incorporation or Bylaws of the Association made in accordance with such instruments and with the nonprofit corporation laws of the State of Oregon.

8.5 Specific Powers and Duties. The powers and duties of the Association shall include, without limitation, the following:

(a) Maintenance and Services. The Association shall provide maintenance and services for the Property as provided in Article 9 and other provisions of this Declaration.

(b) Insurance. The Association shall obtain and maintain in force policies of insurance as provided in this Declaration or the Bylaws of the Association.

(c) Rulemaking. The Association shall make, establish, promulgate, amend and repeal rules and regulations as provided in Section 6.32 of this Declaration.

(d) Assessments. The Association shall adopt budgets and impose and collect Assessments as provided in Article 10 of this Declaration.

(e) Enforcement. The Association shall perform such acts, whether or not expressly authorized by this Declaration, as may be reasonably necessary to enforce the provisions of this Declaration and the rules and regulations adopted by the Association, including without limitation, enforcement of the decisions of the Architectural Review Committee.

(f) Employment of Agents, Advisors and Contractors. The Association through its Board of Directors, may employ the services of any person or corporation as managers, hire employees to manage, conduct and perform the business, obligations and duties of the Association, employ professional counsel and obtain advice from such person or firms or corporations such as, but not limited to, landscape architects, architects, planners, lawyers and accountants, and contract for or otherwise provide for all services necessary or convenient for the managements, maintenance and operation of the Property; provided, however, the Association may not incur or commit to incur legal fees in excess of \$5,000 for any specific matter unless the Owners have enacted a resolution authorizing the incurring of such fees by a vote of seventy-five percent (75%) of the voting rights present in person or by absentee ballot or proxy at a meeting at which a quorum is constituted. This limitation shall not be applicable to legal fees incurred in defending the Association or the Board of Directors from claims or litigation brought against them. The limitation set forth in this paragraph shall increase by \$500 on each fifth anniversary of the recording of this Declaration.

(g) Borrow Money, Hold Title and Make Conveyances. The Association may borrow and repay moneys for the purpose of performing its duties under this Declaration, and subject to Section 4.5(d) above, encumber the Common Areas as security for the repayment of such borrowed money. The Association may acquire, hold title to and convey, with or without consideration, real and personal property and interest therein, including but not limited to easements across all or any portion of the Common Area, and shall accept any real or personal property, leasehold or other property interests within Stonegate conveyed to the Association by Declarant.

(h) Transfer, Dedication and Encumbrance of Common Area. Except as otherwise provided in Section 4.5(d) above, the Association may sell, transfer or encumber all or any portion of the Common Area to a person, firm or entity, whether public or private, and dedicate or transfer all or any portion of the Common Area to any public agency, authority, or utility for public purposes.

(i) Create Classes of Service and Make Appropriate Charges. The Association may, in its sole discretion, create various classes of service and make appropriate Individual Assessments or charges therefore to the users of such services, including but not

limited to reasonable admission and other fees for the use of any and all recreational facilities situated on the Common Areas, without being required to render such services to those of its members who do not assent to such charges and to such other rules and regulations as the Board of Directors deems proper. In addition, the Board of Directors shall have the right to discontinue any service upon nonpayment of Assessments or to eliminate such service for which there is no demand or adequate funds to maintain the same.

(j) Implied Rights and Obligations. The Association may exercise any other right or privilege reasonably to be implied from the existence of any right or privilege expressly given to the Association under this Declaration or reasonably necessary to effectuate any such right or privilege.

8.6 Liability A member of the Board of Directors or an officer of the Association shall not be liable to the Association or any member thereof for any damage, loss or prejudice suffered or claimed on account of any action or failure to act in the performance of his duties, except for acts of gross negligence or intentional acts. In the event any member of the Board of Directors or any officer of the Association is made a party to any proceeding because the individual is or was a director or officer of the Association, the Association shall indemnify such individual against liability and expenses incurred to the maximum extent permitted by law. The managing agent of the Association, and its officers and employees, shall not be liable to the Owners or any third parties on account of any action or failure to act in the performance of its duties as managing agent, except for acts of gross negligence or intentional acts, and the Association shall indemnify the managing agent and its officers and employees from any such claims, other than for gross negligence or intentional misconduct.

8.7 Interim Board; Turnover Meeting. Declarant shall have the right to appoint an interim board of three directors, who shall serve as the Board of Directors of the Association until replaced by Declarant or until their successors take office at the Turnover Meeting following termination of Class B membership. Declarant shall call a meeting of the Association for the purpose of turning over administrative responsibility for the Property to the Association not later than ninety (90) days after termination of the Class B membership in accordance with Section 8.3 above. At the Turnover Meeting the interim directors shall resign and their successors shall be elected by the Owners as provided in this Declaration and in the Bylaws of the Association. If Declarant fails to call the Turnover Meeting required by this Section, any Owner or mortgagee of a Lot may call the meeting by giving notice as provided in the Bylaws.

8.8 Contracts Entered into by Declarant or Prior to Turnover Meeting. Notwithstanding any other provision of this Declaration, any management contracts, service contracts or employment contracts entered into by the Declarant or the Board of Directors on behalf of the Association prior to the Turnover Meeting shall have a term not in excess of three (3) years. In addition, any such contract shall provide that it may be terminated without cause or penalty by the Association or Board of Directors upon not less than thirty (30) days' notice to the other party given not later than sixty (60) days after the Turnover Meeting.

8.9 Bylaws. The Bylaws of the Association and any amendment or modification of the Bylaws shall be recorded in the Deed Records of Deschutes County, Oregon. Declarant

hereby adopts, on behalf of the Association, the initial Bylaws attached as Exhibit A to this Declaration.

8.10 Project Associations. Nothing in this Declaration shall be construed as prohibiting the formation of Project Associations within Stonegate. The Board of Directors of the Association shall assist the Project Associations in the performance of their duties and obligations under their respective Project Declarations, if any, and the Association shall cooperate with each Project Association so that each of those entities can most efficiently and economically provide their respective services to Owners. It is contemplated that from time to time either the Association or a Project Association may use the services of the other in the furtherance of their respective obligations, and they may contract with each other to better provide for such cooperation. The payment for such contract services or a variance in services provided may be reflected in an increased Assessment by the Association for the particular Project or by an item in the Project Association's budget which shall be collected through Project Assessments and remitted to the Association. If a Project Association fails or is unable to perform a duty or obligation required by its Project Declaration, then the Association at its option may, after reasonable notice and an opportunity to cure given to the Project Association, perform such duties or obligations until such time as the Project Association is able to resume such functions, and the Association may charge the Project Association or the Owners within the Project a reasonable fee for the performance of such functions.

## **Article 9**

### **Maintenance, Utilities And Services**

9.1 Maintenance of Common Areas. The Association shall perform all maintenance upon the Common Areas, Common Easement Areas and Limited Common Areas, including but not limited to landscaping, irrigation, walks, alleys, private roads, snow removal on private roads and alleys, entrance monuments and gates, fences, walls, signs, parking areas, walkways and trails, unless the maintenance thereof is assumed by a public body. Unless the Board of Directors adopts a resolution to the contrary, the Association shall also maintain the landscaping and irrigation of the Front Yards. Such areas shall be maintained in an attractive condition and in a good and workmanlike manner such as to carry out the purpose for which such areas are intended. Any lighting installed in the common areas shall be downcast and shall not project into any public road or private residence or yard.

9.2 Maintenance of Utilities. The Association shall perform or contract to perform maintenance of all private utilities within Common Areas, such as sanitary sewer service lines; domestic water service lines; storm drainage lines including the cleaning of all current catch basins which are located on Tracts 6 and 9, and on lots 15, 16, 18, 19 and 27 and maintaining the drainage swales; water detention facilities which includes site maintenance and pipe clean-outs; street lights which include bulb replacement; and traffic, directional and street signs except to the extent such maintenance is performed by the utilities furnishing such services. The Association shall not be liable for any interruption or failure of such services. Each Owner shall be responsible for maintaining utility lines within his Lot.

9.3 Maintenance of Townhome Living Units. Maintenance of the exterior of the Buildings, and landscaping on the lots, excluding any areas enclosed by fencing, shall be the

responsibility of the Association except as hereinafter provided. Exterior maintenance of Buildings shall include siding, painting, lighting, gutters, balconies, roofing, sidewalks, shared driveways, as well as routine maintenance, but excludes window cleaning or replacement. Owners shall be responsible for maintenance of all interior portions, the windows and the private fenced areas of the Living Units in addition to any other areas that are specifically not the obligation of the Association as set forth in this Declaration. Without limitation, Owners shall be responsible for (a) landscaping and maintenance on patios and decks and for the care of hot tubs on exterior decks and (b) the cost of any repairs necessitated by the negligence or intentional misconduct of such Owner or such Owner's guests or invitees.

9.4 Security. The Association may, but shall not be obligated to, maintain or support certain activities within the Property designed to make the Property safer than it otherwise might be, including, without limitation, exterior lighting for Common Areas. Neither the Association, the Declarant, nor any successor Declarant shall in any way be considered insurers or guarantors of security within the Property, nor shall any of them be held liable for any loss or damage by reason of failure to provide adequate security or of ineffectiveness of security measures undertaken. No representation or warranty is made that any fire protection system, burglar alarm system or other security system cannot be compromised or circumvented, or that any such systems or security measures undertaken will in all cases prevent loss or provide the detection or protection for which the system is designed or intended. Each Owner acknowledges, understands and covenants to inform its tenants that the Association, its Board of Directors and committees, Declarant, and any successor Declarant are not insurers and that each person using the Property assumes all risks for loss or damage to person, to property and to the contents of Lots resulting from acts of third parties and releases such parties from any liability thereof.

9.5 Services. The Association shall provide or contract for such services as the Board may reasonably deem to be of benefit to the Property, including, without limitation, landscape services, garbage and trash removal for Common Areas and security services. All community refuse areas shall be enclosed with a site-obscuring fence or wall on all sides. The enclosure shall be a minimum of five (5) feet tall.

9.6 Project Maintenance. The Association may at its option, in the discretion of the Board of Directors, assume the maintenance responsibilities set out in any Project Declaration for any Project located on the Property, after giving the responsible Project Owner or Association reasonable notice and an opportunity to correct its deficient maintenance. In such event, all costs of such maintenance shall be assessed only against the Owner or Owners of Lots in the Project to which the services are provided and shall be Individual Assessments for purposes of this Declaration. The assumption of this responsibility may take place either by contract or because, in the opinion of the Association Board of Directors, the level and quality of service than being provided is not consistent with the community-wide standard of Stonegate.

9.7 Owner's Responsibility. Except as otherwise provided in this Declaration, applicable Project Declarations, or by written agreement with the Association, all maintenance of the Lots and Improvements thereon as provided in Section 6.6 above shall be the sole responsibility of the Owner thereof, who shall maintain such Lot, in a neat and attractive condition in accordance with the community-wide standard of Stonegate. The Owner shall be responsible for irrigating and maintaining the Lot, including any street trees. The Association

shall, in the discretion of the Board of Directors, assume the maintenance responsibilities of such Owner if, in the opinion of the Board of Directors, the level and quality of maintenance being provided by such Owner does not satisfy such standard, and the Project Association or the Project in which the Lot is located has failed to adequately provide such maintenance. Before assuming the maintenance responsibilities, the Board of Directors shall notify the Owner and any applicable Project Association in writing of its intention to do so, and if such Owner or the Project Association has not commenced and diligently pursued remedial action within fifteen (15) days after mailing of such written notice, then the Association shall proceed. The expenses of such maintenance by the Association shall be reimbursed to the Association by the Owner, together with interest as provided in Section 11.5 below. Such charges shall be an Individual Assessment and lien on the Lot as provided in Section 10.9 and 11.2 below.

9.8 Damage Liability. Any damage to any Common Area by Owners, their children, agents visitors, friends, relative, tenants, occupants or service personnel shall be repaired by the Owner within fifteen (15) days following the date on which notice is mailed by the Association informing the Owner of such violation. If the damage has not been repaired within such time, then the Association shall perform such repair and the cost shall be assessed to the Owner as an Individual Assessment.

## **Article 10** **Assessments**

10.1 Purpose of Assessments. The Assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, and welfare of the Owners and occupants of Stonegate and for the improvement, operation and maintenance of the Common Areas.

10.2 Types of Assessments. The Association may levy Annual Assessments, Townhome Living Unit Assessment, Special Assessments, Emergency Assessments, Limited Common Area Assessments and Individual Assessments, all as more particularly described below.

10.3 Apportionment of Assessments. Lots owned by Declarant shall not be subject to Annual Assessments, Special Assessments or Emergency Assessments until such time as the Lot is occupied for residential use, except that Annual Assessments for reserves as described in Section 10.12(b) below shall begin accruing for all Lots, including Lots owned by Declarant, from the date the first Lot is conveyed. Declarant, however, may defer payment of the accrued reserve assessments for a lot until the date the Lot is conveyed, but not beyond the date of the Turnover Meeting or, if no Turnover Meeting is held, the date the Owners assume administrative control of the Association. The books and records of the Association shall reflect the amount owing from the Declarant for all reserve assessments. All Lots other than unoccupied Lots owned by Declarant shall be subject to assessment and shall pay an equal share of the Annual Assessments, Special Assessments and Emergency Assessments. Notwithstanding the provisions of this Section, however, a supplemental declaration annexing a specific Common Area facility may specify a special allocation of assessing the costs of operating and maintaining the facility on such Common Area in order to more fairly allocate such cost, taking into account the extent of use or other factors. Declarant may elect to delay collection of Annual Assessments

against all Lots, but in such case shall pay all common expenses of the Association until such Assessments commence. No Owner by the Owner's own action may claim exemption from liability for contribution towards common expenses by waiver by the Owner of use of enjoyment of any of the Common Area or by abandonment by the Owner of the Owner's Lot. An Owner may not claim an offset against an Assessment for failure of the Association to perform its obligations, and no Owner may offset amounts owing or claimed to be owing by the Association or Declarant to the Owner.

10.4 Annual Assessments. The Board of Directors of the Association shall from time to time and at least annually prepare an operating budget for the Association, taking into account the current costs of maintenance and services and future needs of the Association, any previous over assessment and any common profits of the Association. The budget shall take into account the numbers of Lots subject to assessment as of the first day of the fiscal year for which the budget is prepared and the number of Lots reasonably anticipated becoming subject to assessment during the fiscal year. The budget shall provide for such reserve or contingency funds as the Board deems necessary or as may be required by law, but not less than the reserves required by Section 10.12 below. Annual Assessments for such operating expenses and reserves ("**Annual Assessments**") shall then be apportioned among the Lots as provided in Section 10.3 above. Within thirty (30) days after adopting the annual budget, the Board of Directors shall provide a summary for the Budget to all Owners. If the Board of Directors fails to adopt an annual budget, the last adopted budget shall continue in effect. The manner of billing and collection of Assessments shall be as provided in the Bylaws.

10.5 Townhome Unit Assessments. In addition to the Annual Assessment authorized above, all Townhome Living Units shall be assessed for Townhome operating costs. The amount of the assessment per Living Unit shall be determined by multiplying the annual budget by the ratio of the square footage of the Living Unit divided by the square footage of all completed Townhome Living Units.

10.6 Special Assessments. In addition to the Annual Assessment authorized above, the Board of Directors may levy during any fiscal year a Special Assessment ("Special Assessment"), applicable to that year only, for the purpose of deferring all or any part of the cost of any construction or reconstruction, unexpected repair, or acquisition or replacement of a described capital improvement, or for any other one-time expenditure not to be paid for out of Annual Assessments. Special Assessments which in the aggregate in any fiscal year exceed an amount equal to fifteen percent (15%) of the budgeted gross expenses of the Association for the fiscal year may be levied only if approved by a majority of the voting rights voting on such matter, together with the written consent of the Class B member, if any. Before the Turnover Meeting, any Special Assessment for acquisition or construction of new capital improvements or additions must be approved by not less than fifty percent (50%) of the Class A voting rights, together with the written consent of the Class B member. Special Assessments shall be apportioned as provided in Section 10.3 above and may be payable in lump sum or in installments, with or without interest or discount, as determined by the Board of Directors.

10.7 Emergency Assessments. If the Annual Assessments levied at any time are, or will become, inadequate to meet all expenses incurred under this Declaration for any reason, including nonpayment of any Owner's Assessments on a current basis, the Board of Directors of

the Association shall immediately determine the approximate amount of such inadequacy and issue a supplemental budget, noting the reason thereof, and levy an Emergency Assessment for the amount required to meet all such expenses on a current basis (“**Emergency Assessment**”). Any Emergency Assessment which in the aggregate in any fiscal year would exceed an amount equal to five percent (5%) of the budgeted gross expenses of the Association for the fiscal year may be levied only if approved by not less than a majority of the voting rights voting on such matter, together with the written consent of the Class B member, if any. Prior to the Turnover Meeting described in Section 8.7, and the Special Assessment must be approved by not less than fifty percent (50%) of the Class A voting rights, together with the written consent of the Class B member. Emergency Assessments shall be apportioned as set forth in Section 10.3 above and payable as determined by the Board of Directors.

10.8 Limited Common Area Assessments. Annual Assessments, Special Assessments and Emergency Assessments relating to maintenance, upkeep, repair, replacement or improvements to Limited Common Areas (“Limited Common Area Assessments”) shall be assessed exclusively to the Lots having the right to use such Association Limited Common Areas.

10.9 Individual Assessments. Any common expense or any part of a common expense benefiting fewer than all of the Lots may be assessed exclusively against the Lots benefited (“Individual Assessment”). Individual Assessments include, without limitation, charges for services provided under Sections 8.5(i), 8.10, 9.6, 9.7 and 9.8 and any common expense that is the fault of the Owner and not paid by insurance. Individual Assessments shall also include default assessments levied against any Lot to reimburse the Association for costs incurred in bringing such Lot or its Owner into compliance with the provisions of this Declaration or the rules and regulations of the Association and for fines or other charges imposed pursuant to this Declaration for violation thereof. Unless otherwise provided by the Board of Directors, Individual Assessments shall be due 30 days after the Board of Directors has given written notice thereof to the Owners subject to the Individual Assessments.

10.10 Annexation of Additional Property. When Additional Properties are annexed to Stonegate, the Lots included therein shall become subject to Assessments from the date of such annexation to the extent provided in Section 10.3. The Board of Directors of the Association, however, at its option may elect to recalculate the budget based upon the additional Lots subject to assessment and additional Common Areas and recalculated Annual Assessments for all Lots, including the new Lots, for the balance of the fiscal year. Notwithstanding any provision of this declaration apparently to the contrary, a declaration annexing Additional Property may provide that such additional property does not have the right to use a particular Common Area or facility located thereon, in which case such Additional Property shall not be assessed for the costs of operating, maintaining, repairing, replacing or improving such Common Area or facility.

10.11 Operations Fund. The Association shall keep all funds received by it as Assessments, other than reserves described in Section 10.12, separate and apart from its other funds, in a bank account in the State of Oregon in the name of the Association to be known as the “Operations Fund.” All expenses of the Association shall be paid from the Operations Fund or the Reserve Fund referred to in Section 10.12. The Association shall use such funds exclusively for the purpose of promoting the recreation, health, safety and welfare of the

residents within the Property and in particular for the improvement and maintenance of properties, services and facilities devoted to this purpose and related to the use and enjoyment of the Common Areas and of the Lots situated upon the Property, including but not limited to:

(a) Payment of the cost of maintenance, utilities and services as described in Article 9.

(b) Payment of the cost of insurance as described in the Bylaws of the Association.

(c) Payment of taxes assessed against the Common Areas and any improvements thereon.

(d) Payment of the cost of other services which the Association deems to be of general benefit to the Owners, including but not limited to accounting, legal and secretarial services.

#### 10.12 Reserve Fund.

(a) Establishment of Account. Declarant shall conduct a reserve study as described in paragraph (c) of this Section and establish a bank account in the State of Oregon in the name of the Association (the “**Reserve Fund**”) for replacement of common properties that will normally require replacement in whole or in part in more than three (3) and less than thirty (30) years, for exterior painting if the Common Areas or other property to be maintained by the Association include exterior painted surfaces, and for other items, whether or not involving Common Areas, if the Association has responsibility to maintain the items. The Reserve Fund need not include those items that could reasonably be funded from operating Assessments or for those items for which one or more Owners are responsible for maintenance and replacement under the provisions of this Declaration or the Bylaws.

(b) Funding of Reserve Fund. The Reserve Fund shall be funded by Assessments against the individual Lot assessed for maintenance of the items for which the Reserve Fund is being established, which sums shall be included in the regular Annual Assessment for the Lot. The Reserve Fund shall be established in the name of the Association. The Association is responsible for administering the Reserve Fund and making periodic payments into it.

(c) Reserve Studies. The reserve portion of the initial Assessment determined by Declarant shall be based on a reserve study described in paragraph (c) or other sources of information. The Board of Directors annually shall conduct a reserve study, or review and update an existing study, to determine the Reserve Fund requirements and may adjust the amount of payments as indicated by the study or update and provide other reserve items that the Board of Directors, in its discretion, may deem appropriate. The reserve study shall include:

- (i) Identification of all items for which reserves are to be established;
- (ii) The estimated remaining useful life of each item as of the date of the reserve study;

(iii) An estimated cost of maintenance, repair or replacement of each item at the end of its useful life;

(iv) A thirty (30) year plan with regular and adequate contributions, adjusted by estimated inflation and interest earned on reserves, to meet the maintenance, repair and replacement schedule.

(d) Use of Reserve Fund. The Reserve Fund shall be used only for the purposes for which the reserves have been established and shall be kept separate from other funds. After the Turnover Meeting, however, the Board of Directors may borrow funds from the Reserve Fund to meet high seasonal demands on the regular operating funds or to meet unexpected increases in expenses if the Board of Directors has adopted a resolution, which may be an annual continuing resolution, authorizing the borrowing of funds. Funds so borrowed from the Reserve Fund must be repaid from Assessments. Not later than the adoption of the budget for the following year, the Board of Directors shall adopt by resolution a written payment plan providing for repayment of the borrowed funds within a reasonable period. Nothing in this Section shall prohibit prudent investment of the Reserve Fund. In addition to the authority of the Board of Directors under paragraph (c) of this Section, following the second year after the Turnover Meeting, the Association may elect to reduce or increase future Assessments for the Reserve Fund by an affirmative vote of not less than seventy-five percent (75%) of the voting power of the Association and may, on an annual basis by a unanimous vote, elect not to fund the Reserve Fund. Assessments paid into the Reserve Fund are the property of the Association and are not refundable to sellers or Owners of Lots. Sellers of the Lots, however, may treat their outstanding share of the Reserve Fund as a separate item in any sales agreement.

10.13 Creation of Lien and Personal Obligation of Assessments. Declarant, for each Lot owned by it within the Property, does hereby covenant, and each Owner of any lot by acceptance of a conveyance thereof, whether or not so expressed in any such conveyance, shall be deemed to covenant to pay to the Association all assessments or other charges as may be fixed, established and collected from time to time in the manner provided in this Declaration or the Association Bylaws. Such assessments and charges, together with any interest, expenses or attorneys' fees imposed pursuant to Section 11.5 and 11.6, shall be a charge on the land and shall be a continuing lien upon the Lot against which each such Assessment or charge is made. Such Assessments, charges and other costs shall also be the personal obligation of the person who was the Owner of such Lot at the time when the Assessment or charge fell due. Such liens and personal obligations shall be enforced in the manner set forth in Article 11 below.

10.14 Voluntary Conveyance. In a voluntary conveyance of a Lot the grantee shall be jointly and severally liable with the grantor for all unpaid assessments against the grantor of the Lot up to the time of the grant or conveyance, without prejudice to the grantee's right to recover from the grantor the amounts paid by the grantee thereof. However, upon request of a prospective purchaser, the Board of Directors of the Association shall make and deliver a statement of the unpaid Assessments against the prospective grantor or the Lot, and the grantee in that case shall not be liable for, nor shall the Lot when conveyed be subject to, a lien filed thereafter for any unpaid Assessments against the grantor in excess of the amount set for the in the statement.

**Article 11**  
**Enforcement**

11.1 Violation of General Protective Covenants. In the event any Owner constructs or permits to be constructed on his Lot an Improvement contrary to the provisions of this Declaration, or shall violate any provisions of this Declaration, the Bylaws of the Association or the rules and regulations, then the Association acting through its Board of Directors shall notify the Owner in writing of any such specific violations. If the Owner is unable, unwilling or refuses to comply with the Association's specific directives for remedy or abatement, or the Owner and the Association cannot agree to a mutually acceptable solution within the framework and intent of this Declaration, after notice and opportunity to be heard and within fifteen (15) days of written notice to the Owner, then the Association acting through its Board of Directors, shall have the right to do any or all of the following:

(a) Assess reasonable fines against such Owner, based upon a resolution adopted by the Board of Directors that is delivered to each Lot, mailed to the mailing address of each Lot or mailed to the mailing address designated by the Owner of each Lot in writing, which fines shall constitute Individual Assessments for purposes of this Declaration;

(b) Enter the offending Lot and remove the cause of such violation, or alter, repair or change the item which is in violation of this Declaration in such a manner as to make it conform thereto, in which case the Association may assess such Owner for the entire cost of the work done, which amount shall be payable to the Association as an Assessment, provided that no items of construction shall be altered or demolished in the absence of judicial proceedings;

(c) Cause any vehicle parked in violation of this Declaration or the rules and regulations to be towed and impounded at the Owners' expense;

(d) Suspend the voting rights for the period that the violations remain unabated, provided that the Association shall not deprive any Owner of access to and from his Living Unit; and

(e) Bring suit or action against the Owner on behalf of the Association and other Owners to enforce this Declaration.

11.2 Default in Payment of Assessments; Enforcement of Lien. If an Assessment or other charge levied under this Declaration is not paid within thirty (30) days of its due date, such Assessment or charge shall become delinquent and shall bear interest from the due date at the rate set forth below. In such event the Association may exercise any or all of the following remedies:

(a) The Association may suspend such Owner's voting rights, any utility services paid for out of Assessments and right to use the Common Areas until such amounts, plus other charges under this Declaration, are paid in full and may declare all remaining periodic installments of any Annual Assessment immediately due and payable. In no event, however, shall the Association deprive any Owner of access to and from his Lot.

(b) The Association shall have a lien in accordance with ORS 94.709, as it may be modified or replaced, against each Lot for any Assessment levied against the Lot, including any fines or other charges imposed under this Declaration or the Bylaws against the Owner of the Lot.

(c) The Association may bring an action to recover a money judgment for unpaid Assessments, fines and charges under this Declaration without foreclosing or waiving the lien described in paragraph (b) above. Recovery on any such action, however, shall operate to satisfy the lien, or the portion thereof, for which recovery is made.

(d) The Association shall have any other remedy available to it by law or in equity.

11.3 Reports to First Mortgagees. In response to a written request of any first mortgagee of a Lot, the Association shall report to such mortgagee whether such Lot is current or past due with respect to Assessments.

11.4 Subordination of Lien to Mortgages. The lien of the Assessments or charges provided for in this Declaration shall be subordinate to the lien of any mortgage or deed of trust on such Lot which was made in good faith and for value and which was recorded prior to the recordation of the notice of lien. Sale or transfer of any Lot shall not affect the Assessment lien, but the sale or transfer of any Lot which is subject to any mortgage or deed of trust pursuant to a decree of foreclosure thereunder or any deed or proceeding, deed or assignment in lieu of foreclosure shall extinguish any lien of an Assessment notice of which was recorded after the recording of the mortgage or trust deed. The unpaid Assessments as a result of such foreclosure or sale shall become a common expense of all Owners, including the mortgagee or purchaser, and such sale or transfer shall not release the Lot from liability for any Assessments or charges thereafter becoming due or from the lien of such Assessments or charges.

11.5 Interest, Late Charges and Expenses. Any amount not paid to the Association when due in accordance with this Declaration shall bear interest from the due date until paid at a rate which is the greater of eighteen percent (18%) per annum or three percentage points per annum above the prevailing Portland, Oregon prime rate as of the due date, or such other rate as may be established by the Board of Directors, but not to exceed the lawful rate of interest under the laws of the State of Oregon. A late charge may be charged for each delinquent Assessment in an amount established from time to time by resolution of the Board of Directors, which resolution is delivered to each Lot, mailed to the mailing address of each Lot or mailed to the mailing address designated by the Owner in writing, together with all expenses incurred by the Association in collecting such unpaid assessments, including attorneys' fees (whether or not suit is instituted). In the event the Association shall file a notice of lien, the lien amount shall also include the recording fees associated with filing the notice, and a fee for preparing the notice of lien established from time to time by resolution of the Board of Directors of the Association.

11.6 Costs and Attorneys' Fees. In the event the Association shall bring any suit or action to enforce this Declaration, the Bylaws of the Association or the Rules and Regulations, or to collect any money due hereunder or to foreclose a lien, the Owner-defendant shall pay to the Association all costs and expenses incurred by it in connection with such suit or action, including

a foreclosure title report, and the prevailing party in such suit or action shall recover such amount as the court may determine to be reasonable as attorneys' fees at trial and upon any appeal or petition for review thereof or in connection with any bankruptcy proceedings or special bankruptcy remedies.

11.7 Nonexclusiveness and Accumulation of Remedies. An election by the Association to pursue any remedy provided for violation of this Declaration shall not prevent concurrent or subsequent exercise of another remedy permitted under this Declaration. The remedies provided in this Declaration are not exclusive but shall be in addition to all other remedies, including actions for damages and suits for injunctions and specific performance, available under applicable law to the Association. In addition, any aggrieved Owner may bring an action against another Owner or the Association to recover damages or to enjoin, abate or remedy any violation of this Declaration by appropriate legal proceedings.

11.8 Enforcement by City of Bend. The provisions of this Declaration relating to preservation and maintenance of Common Areas shall be deemed to be for the benefit of the City of Bend as well as the Association and Owners of Lots, and the City may enforce such provisions by appropriate proceedings at law or in equity, or may cause such maintenance to be performed, the costs of which shall become a lien upon the Property.

## **Article 12** **Dispute Resolution**

### 12.1 Mediation

(a) Except as otherwise provided in this Section, before initiating litigation, arbitration or an administrative proceeding in which the Association and an Owner have an adversarial relationship, the party that intends to initiate litigation, arbitration or an administrative proceeding shall offer to use any dispute resolution program available within Deschutes County, Oregon, that is in substantial compliance with the standards and guidelines adopted under ORS 36.175. The written offer must be hand delivered or mailed by certified mail, return receipt requested, to the address, contained in the records of the Association, for the other party.

(b) If the party receiving the offer does not accept the offer within ten (10) days after receipt of the offer, such acceptance to be made by written notice, hand delivered or mailed by certified mail, return receipt requested, to the address, contained in the records of the Association, for the other party, the initiating party may commence the litigation, arbitration or administrative proceeding. The notice of acceptance of the offer to participate in the program must contain the name, address and telephone number of the body administering the dispute resolution program.

(c) If a qualified dispute resolution program exists within Deschutes County, Oregon, and an offer to use the program is not made as required under paragraph (a) of this Section, then litigation, arbitration or an administrative proceeding may be stayed for thirty (30) days upon a motion of the noninitiating party. If the litigation, arbitration or administrative

action is stayed under this paragraph, both parties shall participate in the dispute resolution process.

(d) Unless a stay has been granted under paragraph (c) of this Section, if the dispute resolution process is not completed within thirty (30) days after receipt of the initial offer, the initiating party may commence litigation, arbitration or an administrative proceeding without regard to whether the dispute resolution is completed.

(e) Once made, the decision of the court, arbitrator or administrative body arising from litigation, arbitration or an administrative proceeding may not be set aside on the grounds that an offer to use a dispute resolution program was not made.

(f) The requirements of this Section do not apply to circumstances in which irreparable harm to a party will occur due to delay or to litigation, arbitration or an administrative proceeding initiated to collect Assessments, other than Assessments attributable to fines.

12.2 Arbitration. Any claim, controversy or dispute by or among Declarant, Association, the Architectural Control Committee or one or more Owners, or any of them, arising out of or related to this Declaration, the Bylaws of the Association, the Rules and Regulations or the Property shall be first subject to mediation as described in Section 12.1 above, or otherwise, and if not timely settled by mediation, resolved by arbitration in accordance with this Article 12. The decisions and award of the arbitrator shall be final, binding and nonappealable. The arbitration shall be conducted in Bend, Oregon, pursuant to the arbitration statutes of the State of Oregon, and any arbitration award may be enforced by any court with jurisdiction. Filing for arbitration shall be treated the same as filing in court for purposes of filing a notice of pending action (“**lis pendens**”).

12.3 Selection of Arbitrator. A single arbitrator selected by mutual agreement of the parties shall conduct the arbitration. The arbitrator selected shall be neutral and unbiased, except to the extent the arbitrator’s prior relationship with any party is fully disclosed and consented to by the other party or parties. If the parties are unable to agree upon the arbitrator within ten (10) days after a party’s demand for arbitration, upon application of any party, the Presiding Judge of the Circuit Court of Deschutes County, Oregon shall designate the arbitrator.

12.4 Consolidated Arbitration. Upon demand by any party, claims between or among the parties and third parties shall be submitted in a single, consolidated arbitration.

12.5 Discovery. The parties to the arbitration shall be entitled to such discovery as would be available to them in an action in Deschutes County Circuit Court. The arbitrator shall have all of the authority of the Court incidental to such discovery, including without limitation authority to issue orders to produce documents or other materials, to issue orders to appear and submit to deposition, and to impose appropriate sanctions including without limitation award against a party for failure to comply with any order.

12.6 Evidence. The parties to the arbitration may offer such evidence as they desire and shall produce such additional evidence, as the arbitrator may deem necessary for an understanding and determination of the dispute. The arbitrator shall determine the admissibility of the evidence offered. All evidence shall be taken in the presence of the arbitrator and all of

the parties, except where any of the parties is absent in default or has waived its right to be present.

12.7 Excluded Matters. Notwithstanding the foregoing, the following matters shall not be subject to mediation or arbitration under this Article 12 (but shall be subject to the applicable provisions of Section 12.6 below): (a) actions relating to the collection of fees, assessments, fines and other charges imposed or levied by the Association (other than disputes as to the validity or amount of such fees, assessments, fines or charges, which disputes shall be subject to mediation/arbitration as provided above), and (b) actions to enforce any order, decision or award rendered by arbitration pursuant to this Article 12. The filing of a lis pendens or the application to any court for the issuance of any provisional process or similar remedy described in the Oregon or Federal Rules of Civil Procedure shall not constitute a waiver of the right or duty to utilize the procedures specified in this Article 12.

12.8 Costs and Attorneys' Fees. The fees of any mediator and the costs of mediation shall be divided and paid equally by the parties. Each party shall pay its own attorneys' fees and costs in connection with any mediation. The fees of any arbitrator and the costs of arbitration shall be paid by the nonprevailing party or parties; if none, such fees and costs shall be divided and paid equally by the parties. Should any suit, action or arbitration be commenced in connection with any dispute related to or arising out of this Declaration, the Bylaws or Rules and Regulations, to obtain a judicial construction of any provision of this Declaration, the Bylaws or the Rules and Regulations, to rescind this Declaration or to enforce or collect any judgment or decree of any court or any award obtained during arbitration, the prevailing party shall be entitled to recover its costs and disbursements, together with such investigation, expert witness and attorneys' fees incurred in connection with such dispute, as the court or arbitrator may adjudge reasonable, at trial, in the arbitration, upon any motion for reconsideration, upon petition for review, and on any appeal of such suit, action or arbitration proceeding. The determination of who is the prevailing party and the amount of reasonable attorneys' fees to be paid to the prevailing party shall be decided by the arbitrator (with respect to attorneys' fees incurred prior to and during the arbitration proceeding) and by the court or courts, including any appellate or review court, in which such matter is tried, heard or decided, including a court that hears a request to compel or enjoin arbitration or that hears exceptions made to an arbitration award submitted to it for confirmation as a judgment (with respect to attorneys' fees incurred in such proceedings).

12.9 Survival. The mediation and arbitration agreement set forth in this Article 12 shall survive the transfer by any part of its interest or involvement in the Property and any Lot therein and the termination of this Declaration.

### **Article 13** **Mortgages**

13.1 Reimbursement of First Mortgages. First mortgagees of Lots may, jointly or singly, pay taxes or other charges which are in default and which may or have become a charge against any Common Area and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy, for such Common Area. First

mortgagees making such payments shall be owed immediate reimbursement thereof from the Association to the extent the same was the responsibility of the Association.

13.2 Right of First Mortgagees Relating to Maintenance. At any time that the Common Areas are not maintained or repaired by the Association to the extent reasonably necessary to protect and preserve the value of the Property for security purposes, then the record mortgagee, upon giving written notice as provided in this paragraph, shall be entitled to exercise the rights of the Owner of the Lot as a member of the Association to vote at all regular and special meetings of the members of the Association for a period of one year following the date of such notice. During this one-year period, the Association shall give notice of all regular and special meetings to both the Owner and the mortgagee, and the Owner may attend such meetings as an observer. Notice from the mortgagee under this Section shall quote this Section 13.2 and shall be sent postage prepaid by certified United States mail, return receipt requested, to the Owner with a copy sent by regular mail to the Association at the last known address of each.

13.3 FHA/VA Approval. As long as there is a Class B membership, the following actions will require the prior approval of the Federal Housing Administration (“FHA”) or the Veterans Administration (“VA”), if this Declaration was previously approved by such agencies: annexation of Additional Properties other than as provided in the Master Plan, mergers and consolidations, mortgaging of Common Areas, dissolution of the Association and amendment of this Declaration or the Articles of Incorporation or the Bylaws of the Association.

#### **Article 14** **Amendment and Repeal**

14.1 How Proposed. Amendments to or repeal of this Declaration shall be proposed by either a majority of the Board of Directors or by Owners holding thirty percent (30%) or more of the Association’s voting rights. The proposed amendment or repeal must be reduced to writing and shall be included in the notice of any meeting at which action is to be taken thereon or attached to any request for consent to the amendment or repeal.

14.2 Approval Required. This Declaration, or any provision thereof, as from time to time in effect with respect to all or any part of the Property, may be amended or repealed by the vote or written consent of Owners representing not less than seventy-five percent (75%) of the Lots, based upon one vote for each such Lot, together with the written consent of the Class B member, if such Class B membership has not been terminated as provided in this Declaration. In no event shall an amendment under this Section create, limit or diminish special Declarant rights without Declarant’s written consent, or change the boundaries of any Lot or any uses to which any Lot is restricted unless the Owners of the affected Lots unanimously consent to the amendment. Declarant may not amend this Declaration to increase the scope of special Declarant rights reserved in this Declaration after the sale of the first Lot unless owners representing seventy-five percent (75%) of the total vote, other than Declarant, agree to the amendment. To the extent any amendment relates to the preservation or maintenance of the Common Areas or private utility lines, or the existence of an entity responsible for accomplishing the same, such amendment shall be approved by the Zoning Administrator of the City of Bend.

14.3 Recordation. Any such amendment or repeal shall become effective only upon recordation in the Deed Records of Deschutes County, Oregon of a certificate of the president and secretary of the Association setting forth in full the amendment, amendments or repeal so approved and certifying that such amendment, amendments or repeal have been approved in the manner required by this Declaration and ORS 94.590, and acknowledged in the manner provided for acknowledgment of deeds.

14.4 Regulatory Amendments. Notwithstanding the provisions of Section 14.1 above, until the Turnover Meeting has occurred, Declarant shall have the right to amend this Declaration or the Bylaws of the Association in order to comply with the requirements of any applicable statute, ordinance or regulation or of the Federal Housing Administration, the United States Department of Veterans Affairs, the Farmers Home Administration of the United States, the Federal National Mortgage Association, the Government National Mortgage Association, the Federal Home Mortgage Loan Corporation, any department, bureau, board, commission or agency of the United States or the State of Oregon, or any corporation wholly owned, directly or indirectly, by the United States or the State of Oregon which insures, guarantees or provides financing for a planned community or lots in a planned community. After the Turnover Meeting, any such amendment shall require the approval of a majority of the voting rights of the Association voting in person, by proxy or by ballot at a meeting or ballot meeting of the Association at which a quorum is represented.

## **Article 15**

### **Miscellaneous Provisions**

15.1 Lessees and Other Invitees. Lessees, employees, invitees, contractors, family members and other persons entering the Property under rights derived from an Owner shall comply with all of the provisions of this Declaration restricting or regulating the Owner's use, improvement or enjoyment of his Lot and other areas within the Property. The Owner shall be responsible for obtaining such compliance and shall be liable for any failure of compliance by such persons in the same manner and to the same extent as if the failure had been committed by the Owner himself.

15.2 Nonwaiver. Failure by the Association or by any Owner to enforce any covenant or restriction contained in this Declaration shall in no event be deemed a waiver of the right to do so thereafter.

15.3 Construction; Severability; Number; Captions. This Declaration shall be liberally construed as an entire document to accomplish the purposes thereof as stated in the introductory paragraphs hereof. Nevertheless, each provision of this Declaration shall be deemed independent and severable, and the invalidity or partial invalidity of any provision shall not affect the validity or enforceability of the remaining part of that or any other provision.
