

Tenant Screening Guidelines

Crystal Lake Property Management is dedicated to finding the highest quality tenants for the properties we manage. All prospective tenants must go through a screening process. We require all prospective tenants to complete a Residential House Lease Application Form. One application is required for every intended occupant who is 18 years of age or older, excluding children 20 years old and younger living with parents or legal guardian. The application must be completed in full. Applications that are incomplete will not be considered. All areas of the application must be completed in full. **A \$35 screening fee is required for each individual application, payable by check or money order only.**

The Residential House Lease Application Form will require the following information.

- Photo Identification. Driver's license preferred.
- Verifiable rental history. Three years of positive verifiable rental history from a third party reference. Rental history of more than one year but less than two will require an additional security deposit equal to one month of rent. Rental history of less than one year will require an additional security deposit equal to one month of rent and a co-signer on the lease. Inability to verify rental history will result in a denied application. Any applicant who has been evicted within the last three years will automatically be denied.
- Income and Employment Verification. Applicants must provide proof of monthly income equal to at least 3 times the monthly rent. Proof of income may include tax returns, pay stubs, employer verification or bank statements.
- Credit Requirement. A good credit rating is a requirement. Outstanding bad debt in the form of slow pay, collections, repossessions, liens, judgment and wage garnishment being reported to the credit bureau may result in a denied application. Applicants who are denied based on the credit report will receive a copy of the report. Discrepancies that exist on the credit report can be disputed by contacting the reporting agency. Upon correction of the report by the credit-reporting agency, the application will be reviewed for consideration.
- Co-Signers. Co-signers must have an income equal to a minimum of four times the amount of rent and an excellent credit rating.
